ALLIANCE AGREEMENT**

This Alliance Agreement (“Agreement”) is made the date last executed as evidenced below (“the Effective Date”) by and between the University of Maryland Global Campus (“UMGC”) and Tidewater Community College (“TCC”) who together are collectively referred to as the “Institutions.” This Agreement replaces any earlier Alliance Agreement entered into between the Institutions.

UMGC offers undergraduate and graduate degree and certificate programs and is accredited by the Middle States Commission on Higher Education. UMGC is a constituent institution of the University System of Maryland, an agency of the State of Maryland;

WHEREAS, TCC is a regionally accredited institution located in Hampton Roads, VA. TCC is a comprehensive community college that is accessible, learning-centered, and dedicated to serving a diverse community of learners and employers through quality innovative programs, services and the appropriate use of technology for life-long learning. TCC is accredited by SACSCOC; and

WHEREAS, the Institutions desire to allow simultaneous admission to TCC and UMGC.

NOW THEREFORE, the Institutions agree as follows:

I. Term

A. The term of this Agreement shall be effective as of the Effective Date and continue in effect for an initial period of one (1) year and shall automatically renew for successive one (1) year periods, unless terminated in accordance with this Section.

B. Either Institution may terminate this Agreement by providing the other Institution ninety (90) days’ prior written notice.

II. Guaranteed Admission

A. UMGC shall accept eligible students (“eligible students”) who have attended or graduated from the accredited TCC with an Associate’s Degree, if the students complete and submit UMGC’s application for admission, have met UMGC’s admission criteria, and are not otherwise disqualified by federal or state law, or any policy of UMGC or the University System of Maryland (“USM”). To be an eligible student, the applicant must:

1. Certify on the admissions application that they have graduated from a state-approved or regionally accredited U.S. high school or achieved one of the required equivalencies under USM Policy III-4.00; have completed high school or 60 or more of an Associate's Degree; have satisfied UMGC's English proficiency requirement; and have satisfied all other admissions requirements under UMGC Policy 210.00 Undergraduate Admission Policy ("UMGC Admissions Policy") (available [at:https://www.umgc.edu/administration/policies-and-reporting/policies/academic-affairs/undergraduate-admissions.cfm](https://www.umgc.edu/administration/policies-and-reporting/policies/academic-affairs/undergraduate-admissions.cfm)); and

2. Be in good standing at their TCC, and not subject to disciplinary expulsions or suspensions in accordance with Section III.E. of the UMGC Undergraduate Admission Policy); and

3. Not require F1 visa or I20 applicants or other visas that requires sponsorship from UMGC.

B. The Institutions agree that eligible students may be allowed simultaneous admission to TCC and UMGC. If an Alliance Student is simultaneously enrolled at the Institutions, the Alliance Student is subject to applicable federal, State, and local laws and regulations as well as all practices and policies in effect at both Institutions.

C. UMGC will not promote transfer to UMGC before a student has completed 45 credit hours at TCC and shall encourage students to continue to obtain their Associate's Degree.

D. UMGC will waive the UMGC admission application fee for eligible students.

E. Both UMGC and TCC shall post these requirements for eligible students on their respective websites. If the parties create a joint landing page, they may satisfy this provision by posting the requirements on their joint landing page.

F. UMGC or TCC will not advertise or market guaranteed admission without stating clearly it is for "eligible students only" and providing a link or cite to the requirements of each institution.

III. Transfer.

A. Subject to the terms and conditions of this Agreement, UMGC shall provide students graduating from TCC with an Associate's Degree with the opportunity to seamlessly transfer into UMGC Bachelor's programs as set forth in the UMGC catalog that is applicable at the time the Alliance Student applies for admission to UMGC.

B. UMGC shall accept transfer of TCC credits up to a maximum of seventy (70) credit hours in accordance with Maryland law and regulations and applicable UMGC policies and provided that the student does not take the equivalent course at UMGC.

C. UMGC shall accept credit for prior learning (including military, competency based, and credit by exam) in accordance with COMAR 13B.06.01.04 and 13B.02.02.16. When

such credit is granted by TCC, UMGC will evaluate the credits on a course-by-course basis, and will accept that credit in transfer provided that it satisfies the same standards as apply to UMGC students, is identified on the student's TCC transcript, and does not exceed the maximum number of credit hours (70 credit hours) accepted in transfer. Credit granted for prior learning is subject to any expiration dates established by the learning provider.

D. To obtain an evaluation of transfer credits, the Alliance Student shall request that TCC send official transcripts directly to UMGC electronically through a secure delivery method to studentrecords@umgc.edu (preferred method) or by mail in a sealed envelope to:

University of Maryland Global Campus
Attn: Transcripts
3501 University Boulevard East
Adelphi, MD 20783

E. While not a requirement for admission, both Institutions should advise Alliance Students to contact a UMGC advisor at the time of entry to receive an evaluation of transfer credits and design a degree completion plan.

F. UMGC will grant prospective students from TCC a tentative evaluation of all transfer credits within 1-3 business days. It is anticipated that Alliance Students who apply to UMGC and submit official transcripts to UMGC will receive an official evaluation of their transfer credits within 2-3 weeks of receipt of all documentation. Alliance Students should be encouraged by both Institutions to submit official transcripts to UMGC as soon as possible to ensure identification of the most accurate and efficient path to bachelor's degree completion. Evaluations may take slightly longer if UMGC has not previously evaluated the courses from TCC that the Alliance Student wishes to transfer.

G. Upon request from the TCC, UMGC shall provide annual transfer reports to TCC. Transfer reports will include aggregate de-identified information on Bachelor's Degree completion, number of credits transferred, number of Community College Transfer Scholarships awarded (if any), and other pertinent information.

H. Notwithstanding anything in this Agreement to the contrary, the Institutions retain the right and the authority to make changes in their respective courses, programs and credential requirements that they each may determine to be in their respective best interest. Current course, program and credential requirements shall be maintained in the Institution's respective catalogs and on the Institution's respective websites.

I. The Institutions shall give the other reasonable notice of changes in course program and credential requirements that may materially affect the Alliance Student's status and acceptance of degrees or the transfer of credit as contemplated in this Agreement. Alliance Students that have already been admitted to UMGC and whose transfer credits had been accepted prior to the time of the program or course changes will not be affected, unless the

change to the program or course is mandated by law, regulation, an accrediting organization, or licensure requirement and is required to apply to students currently enrolled in a program or course.

J. UMGC will promote reverse transfer to TCC students who transfer to UMGC without a TCC Associate's Degree. Interested students must sign a FERPA release to allow UMGC and TCC advisors to exchange student academic records to implement dual advising and promote reverse transfer opportunities. The FERPA form is located at: <https://www.umgc.edu/current-students/finances/financial-aid/financial-aid-policies/ferpa.cfm>. Data may be shared yearly with TCC administrators for the students who have signed a FERPA release.

III. Scholarships

A. UMGC may offer graduates from TCC the opportunity to apply for scholarship opportunities as they become available.

B. Students must meet all scholarship qualifications for eligibility, which may include a minimum GPA, Associate's Degree earned from TCC and U.S. citizenship or permanent residency.

C. Scholarships may be promoted on both the TCC and UMGC websites and publications.

IV. Community College Employee Program Participants

A. TCC's employees, spouses, and dependents who enroll in UMGC undergraduate or graduate programs under this Agreement are Community College Employee Program Participants ("Program Participants"). Each Program Participant shall be responsible for registering for courses covered by this Agreement.

B. If a Program Participant is not currently admitted to UMGC, the individual shall submit an admissions application to UMGC, prior to the regularly scheduled UMGC semester in which the individual intends to enroll. UMGC shall evaluate the application and offer or deny admission and enroll Program Participants in accordance with UMGC's standard policies and procedures.

C. Upon acceptance, Program Participants may register for courses or programs and transfer credits and/or be awarded prior learning credit if eligible under UMGC's standard policies and procedures.

D. UMGC shall waive the application fee for all applicants who are admitted to UMGC and become Program Participants.

E. The tuition for Program Participants shall be equal to the current catalog published out-of-state tuition less twenty-five percent (25%) (the "Discounted Tuition"), except that:

1. The Discounted Rate shall not apply to UMGC's specialty undergraduate and graduate courses or programs and doctoral courses or programs, which can be found at <https://www.umgc.edu/costs-and-financial-aid/tuition/index.cfm>, which may be amended from time to time;

2. If the Discounted Tuition rate is less than the in-state tuition rate, a Program Participant will receive the in-state, or any other applicable, rate, as described in this Section; and

3. Program Participants who qualify for the in-state tuition rate or special tuition rate offered to active-duty military servicemembers, spouses, and dependents shall be charged the applicable rate.

VI. Promotion and Tuition Discount for Community College Students

A. If TCC agrees to promote and publicize this Agreement in accordance with Section V and Exhibit 1, then UMGC will further agree to provide to all qualified TCC students a 25% discount rate on out-of-state tuition for all non-specialty UMGC programs as detailed in Section V.E. During the term of this Agreement, the Institutions may develop and agree upon additional mutually acceptable marketing and student recruitment plans to promote the TCC-UMGC alliance and inform students of the opportunities available at both Institutions under this Agreement.

B. TCC agrees to promote the Alliance to TCC students by allowing UMGC to place marketing materials in student service centered departments, on the TCC website and other TCC publications.

C. Any and all marketing, promotional or publication materials developed pursuant to this Agreement prepared or developed by one Institution must be reviewed and approved in writing by the other Institution prior to use of any such materials.

1. Each Party may specify and make available to the other Party its trade names, trademarks, service marks, logos or other commercial symbols (collectively, "Marks") in connection with this Agreement, and in so doing, each Party grants the other Party a nonexclusive, worldwide, royalty-free, non-transferable revocable license to use such Marks solely for the purposes of this Agreement.

a) Before using the other Party's name or Marks on any materials, including but not limited to emails, brochures, webpages, press releases or any other promotional or marketing materials, a Party must send such materials to the other Party for that Party's prior written approval.
