VIRGINIA BEACH CAMPUS

Virginia Beach Campus

1700 College Crescent
Virginia Beach, VA 23453
757-822-7100

The campus was established in temporary quarters on Camp Pendleton, a state military reservation, in 1971. It opened in fall of 1974 as a permanent campus, constructed on 115 acres off Princess Anne Road. It is the College's largest campus with 13 buildings. Each of the original seven buildings is named for a borough of Virginia Beach – Princess Anne, Bayside, Blackwater, Kempsville, Pungo, Lynnhaven and Virginia Beach.

The Advanced Technology Center (ATC) opened in 2002; it is a cooperative venture and partnership between the City of Virginia Beach, The Virginia Beach Public Schools, and TCC.

The Science Building, opened in spring 2008, is a 70,000 square-foot building featuring a 90-seat planetarium, an outside “living laboratory”, an oceanography lab with a 30-foot wave tank, anatomy and physiology labs, a greenhouse, and an observatory.

In 2011, the Regional Health Professions Center opened—a 65,000 square-foot facility providing clinical learning in simulated medical settings.

In 2013-14, a \$43 million Joint-Use Library, funded by both TCC and the City of Virginia Beach, opened on the campus, and the largest of four campus student centers opened as well.

ANNUAL UNDUPLICATED HEADCOUNT & ANNUAL FTES

Twenty-Five-Year Enrollment History

Twenty-Five-Year TCC Graduate History 1999 — 2023

COLLEGE HISTORY TIMELINE

1965–66 to 2022–23

1965 - 1966	Governor Mills E. Godwin Jr. initiates the state sales tax with the goal of establishing a community college system. The Virginia General Assembly establishes the Virginia Community College System (VCCS) to provide college transfer and occupational/technical education.
1967 - 1968	The Beazley Foundation donates the Frederick College site to the Commonwealth of Virginia to begin a community college in South Hampton Roads. The Frederick Campus opens as Region 22 Community College. This year marks the official founding of the College.
1968 - 1969	The College's name is officially changed to Tidewater Community College, and Douglas Montgomery is named its first president. Harold McGee is named the first provost of the Frederick Campus.
1970 - 1971	The College begins to use 11 barracks at the Camp Pendleton National Guard facility as a temporary Virginia Beach location. The College holds its first graduation with 55 graduates.
1971 - 1972	Charles Downs is named provost of the Frederick Campus. The Virginia General Assembly and the City of Virginia Beach approve an allocation of \$4.7 million to construct the Virginia Beach Campus in the Green Run section of Virginia Beach. Michael LaBouve is named the founding provost of the Virginia Beach Campus.
1972 - 1973	George B. Pass is named president of Tidewater Community College. The Virginia Beach Campus is formally dedicated by Governor Mills E. Godwin Jr., the "father" of Virginia community colleges. The City of Chesapeake pledges \$1.8 million to open a third campus in Chesapeake and funds the purchase of adjacent land. Chesapeake College, a junior college founded in 1966 by Thomas E. Russ, is transferred to the city for the campus site, and the campus officially opens on February 1. Timothy H. Kerr is named the founding provost of the Chesapeake Campus.
1973 - 1974	The College graduates its first class of shipyard apprentices from its joint apprentice program with the Norfolk Naval Shipyard.
1974 - 1975	As a first step toward establishing a campus in Norfolk, the College opens the Norfolk Skills Center at a temporary location on 21st Street. Louis Monroe is named director.
1975 - 1976	A \$2 million bond issue is approved to expand the Chesapeake Campus.
1977 - 1978	Construction begins on the first new building on the Chesapeake Campus. Named the George B. Pass Building in 1991 in recognition of the work of President Pass, the building provides additional classroom and office space.
1978 - 1979	With political resistance in the region, the Norfolk Skills Center closes. However, tracking studies showed its students did not redirect to other neighboring higher education institutions in Norfolk. The Applied Science Program in Horticulture begins on the Chesapeake Campus and eventually expands in 1988 through a grant from the Alison and Ella Parsons Foundation.
1979 - 1980	Governor John Dalton dedicates the new classroom building at the Chesapeake Campus. The Grammar Hotline, which quickly rises to national recognition, is established on the Virginia Beach Campus.

Lisa Rhine resigns as provost of the Chesapeake Campus and James Edwards assumes interim leadership at the campus beginning with the spring semester. TCC celebrates its 50 th anniversary.
2019 - 2020	College-wide academic pathways take full effect for the fall semester. Marcia Conston is named the sixth president of TCC in January.
