Guests: David Kiracofe

The meeting began with an introduction by the chair of the Chesapeake Faculty Senate Rianna Amolsch, who welcomed the group and called to order the regular meeting of the Chesapeake Faculty Senate.

Next, Rianna Amolsch provided the group with a recap of Dr. DeMarte's Dialogue from March 14, 2017 (Chesapeake campus) as well as a Chair Report from the College-Wide Faculty Senate Meeting, which was held at the Virginia Beach campus. Some of the topics discussed during the College-Wide Faculty Senate Meeting included faculty advising, standards for online teaching, the college's academic restructuring, faculty members being able to utilize WebEx to attend the College-Wide Faculty Senate Meetings, and a brief discussion of the college's budget.

After Amolsch finished her Chair Report, she moved on to Kevin Brady's Secretary Report:

Brady provided the group with an update about the Faculty Pilot Program. Brady mentioned that the Program Leads and Discipline Leads met on March 17 at the Virginia Beach campus, where they discussed the progress of the Faculty Pilot Program.

Following Kevin's comments, Amolsch then moved on to some "old business," which focused on General Education Assessments and the New Faculty Academy.

The meeting was then adjourned due to time constraints....some of the Faculty Senators had

afternoon classes! :)

The next Chesapeake Campus Faculty Senate Meeting will be held on April 27 at 12:30pm in the Chesapeake Academic Building – Room (4318).
