

Curriculum Committee Mid-Year Report 2016 – 2017

The Curriculum Committee held meetings in September, October, November and January with a quorum at each of these meetings. Charges were accepted. In April 2016, before the first meeting, Jeannie Taylor was elected Chair; Larry Nobles, vice-chair; and Maura Lansing, recorder. The committee has completed the following:

- Training for new members along with a presentation on General Education Core Competencies
- Discussion of new FACA tool and effects on developmental students
- Discussion of ByLaws, changes made and approved by Curriculum Committee and PAPC
- Recommended five Requisite Changes
- Recommended twenty New Courses and Official Course Outlines
- Recommended Discontinuance of C.S.C. in Geospatial Intelligence
- Recommended the following Curriculum Revisions:
 - C.S.C. in Small Business Management and Supervisory Management
 - C.S.C. in Construction Project Management
 - C.S.C. in Land Surveying
 - C.S.C. in Music
 - C.S.C. in Green Design for Interiors
 - A.A.S. in Civil Engineering Technology
 - A.A.S. in ASL – English Interpretation
- Recommended New Curriculum of C.S.C. in Computed Tomography (CT)
- Recommended New Curriculum of A.A.S. in Management Specialization: Small Business Management and Entrepreneurship
- Recommended a New Degree Program of A.A.S. in Veterinary Technology
- Recommended approval of Policy Revision of Policy 2110 – Course Substitutions and Waivers
