

Student Success Committee 2016-2017

Mid-Year Report

To date the Student Success Committee was charged by Dr. Summers with the following to be completed by February 5, 2017:

1. Dr. Summers officially charged the committee to complete work to accomplish the following goals.
 - a. Goal 1: Establish the campus-based PACE Implementation Committees at each of the four TCC campuses.
 - b. Goal 2: Provide a plan for integrating the new First Year Career Advisor and Career Industry Coordinators into the current campuses.
 - c. Goal 3: Coordinate efforts with the Work Group #5 Co-Chairs and the Work Group overall.

The charge was submitted to Dr. Summers on January 11th, 2017 for consideration.

Once the charge was submitted, the group has met in February to discuss further areas of interest regarding student success. Several ideas were discussed during that meeting to include furthering TCC's tutoring efforts and assisting students with transportation issues. During the remaining meetings of the year, we will complete research on the topic selected by the committee.
